Virginia's Region 2000 Local Government Council Meeting October 17, 2013

Agenda Summary

1. Welcome and moment of silence

2. Minutes of September 19, 2013 LGC meeting

(See Attachment 2)

Recommended Action: Approve the minutes as presented subject to any agreed upon revisions as noted by members of the Council

3. <u>Report from Auditor</u>

(Reference documents titled "Virginia's Region 2000 Local Government Council Financial Report June 30, 2013" and "Communication with Those Charged with Governance")

A representative from Robinson, Farmer, Cox Associates will present the June 30, 2013 Audit Report.

Recommended Action: No formal action required; for Council's information and open discussion.

4. Finance report:

(See Attachment 4)

Deputy Director of Finance, Rosalie Majerus, will present the year-to-date financial report through September 30, 2013.

Recommended Action: For Council's information and open for discussion. No formal action required.

5. Legislative Agenda Items:

(See Attachment 5)

a. Resolution to support increased state incentives for regional cooperation

In December 2012 the Joint Legislative Audit and Review Commission issued a report, "Encouraging Local Collaboration through State Incentives", which recommends establishing pilot collaboration grants issued on a competitive basis to

encourage local collaboration. JLARC identified 13 specific regional collaboration opportunities in the report. There are other opportunities that could be included in a competitive grant program.

The Virginia Association of Planning District Commissions encourages each PDC to adopt a resolution of support encouraging the Commonwealth to develop an incentive program to encourage and support regional collaboration efforts. A draft resolution is included.

Also, included in the resolution, is a recommendation that state support to PDCs be increased by \$500,000 annually which would then be shared among the 21 PDCs.

Recommended Action: Approve the resolution as presented.

b. Consideration of changes to training and certification requirements now required for volunteer Fire and EMS personnel

Bedford County is working through VACo to have a position statement incorporated into the VACo legislative agenda which would lessen of the (increasingly) onerous training and certification requirements now being imposed on volunteer fire and (especially) EMS personnel.

Rural areas are especially impacted when training regulations require increased amount of training time for fire and EMS personnel. Some rural areas are faced with no volunteers responding at certain hours because the volunteers are unable to commit to the 160 hours required for EMS certification. Rural areas then face the prospect of hiring more paid staff, stretching limited government resources even more, or not being able to provide even a limited transport service.

Recommended Action: Encourage our member localities and the Virginia Association of Counties to become aware of the issue and encourage policy makers to reduce the number of hours required for EMS certification to the traditional 80 hours.

c. Local Taxing Authority

Region 2000 Local Government Council supports legislation that maintains local taxing authority over local revenue sources, and opposes legislation at the state or federal levels that would reduce or eliminate control over local revenue streams. Taxation issues should be addressed by the governing bodies at the level that they are assessed; federal, state or local.

6. Items from Staff:

a. Small Business Development Center Preparations:

The Small Business Development Center has transitioned to the Central Virginia Community College and is in operation. In November, representatives will come to meet with the LGC to talk about funding for FY 15.

For FY 14, the local match has come from:				
Local Government Council	- \$30,000			
Economic Development Council	- \$15,000			
Counties, City of Lynchburg				
and Town of Altavista	- \$24,841			

Guidance for staff or CVCC to prepare for the November meeting would be welcomed.

7. Items from Council:

8. <u>Next meeting:</u>

Our next meeting (Executive Committee) is scheduled for 5 p.m. on Thursday, November 21^{st} . On that same evening from 6 – 7 p.m. the Commonwealth Transportation Board (CTB) will hold a Public Meeting at the Kirkley Hotel and Conference Center to receive comments on the Fiscal Year 2015-2020 Six-Year Improvement Plan.

Staff suggests we hold our November 21st, 2013 meeting at the Kirkley Hotel and Conference Center and attend the CTB meeting afterwards.

9. Adjourn

Meeting Minutes

- 1. <u>Welcome and moment of silence:</u> Vice -Chair Mike Mattox called the meeting to order at 5:00 p.m., welcomed the members of the Local Government Council, and opened with a moment of silence.
- 2. <u>Approval of Minutes of July 18, 2013</u>: Upon a motion by Gary Tanner, seconded by Kim Payne, the meeting minutes from the July 18, 2013 Local Government Council meeting were unanimously approved as amended for correction in spelling from "Pau" to "Paul" on page two, section 6, paragraph 2.
- **3.** <u>Finance report:</u> Deputy Director of Finance, Rosalie Majerus, presented the year-to-date financial report through August 31, 2013.
- 4. <u>Presentation of model to create an Economic Development District:</u> Gary presented to the Council a presentation to create a new organization, the Economic Development District (EDD). Gary gave an overview of the EDD, including similar types of entities that have been established for specific purposes by the Council, why it is beneficial to the region in competition for federal funding for infrastructure projects, funds to continue CEDS update, and structure of the entity that would need to be created to oversee the EDD, including frequency of meeting, board make-up and objectives of the board. Gary further explained that the designation of EDD made it easier for distressed and non-distressed communities to access the available federal funding. Additionally, Gary mentioned that many rural areas in Virginia already have this designation.

Gary received and answered questions from the Council regarding various aspects of the EDD. Several members of Council expressed comments to clarify the understanding of the function of the EDD. Kim Payne suggested that if the EDD was created then a consideration of the board make-up should be local economic development directors and chamber of commerce representatives.

Upon a motion by David Laurrell, seconded by Jack Hobbs, to authorize staff to submit a concept paper to the EDA for consideration and bring back the EDA's response to the Council was unanimously approved.

5. <u>Proposed Dues Increase:</u> Gary Christie brought before the Council for discussion of a dues increase for FY15. Gary noted that there has been an increase in opportunities for investments and wanted to provide the Council a "big picture" view of the Council's financial picture. Gary reminded the Council what dues are used for by staff. Rosalie Majerus was able to explain, by request, the recurring expenses and revenue chart and fund balance.

The Council asked if there were specific projects or needs associated with this discussion. The consensus of the Council was that the future "ask" for dues increase should be supported by specific projects or needs and that the conversation is better suited at the time appointed for budgeting by the localities and in smaller increments.

6. <u>Discussion to opt-out of the VRS Local Disability Insurance and Resolution</u>: Gary Christie presented the resolution for opting out of the VRS Local Disability Insurance.

Upon a motion by Jack Hobbs, seconded by Kim Payne, the motion to approve the opt-out resolution was unanimously approved.

7. <u>Day to Serve Resolution</u>: Gary Christie presented to Council a resolution in support of a statewide "Day to Serve". Gary presented a brief overview of the event and what it is meant to accomplish.

Upon a motion by Gary Tanner, seconded by John Sharp, in support of the resolution as presented, the resolution was unanimously approved.

- 8. <u>Items from Staff:</u> Gary Christie asked Council for a member to assist in the market salary review proposals that were received from the recently published RFP for the same. Suggestions came from the Council to utilize some of the Human resource personnel from the member localities in this effort.
- 9. <u>Items from Council:</u> There were no items from Council presented.
- **10.** <u>Next Meeting:</u> Mike Mattox announced the next meeting of the Council is scheduled for October 17th, 2013 with the MPO meeting at 4:00 pm.
- **11.** <u>Adjourn:</u> Mayor Mike Mattox adjourned the Council at 5:50 p.m.

RESOLUTION TO ENCOURAGE INCREASED STATE SUPPORT FOR REGIONAL COLLABORATION

WHEREAS, the Virginia's Region 2000 Local Government Council has shown that cooperative actions among Virginia localities often reduce the cost of services for both localities and the Commonwealth and improves the quality of services; and,

WHEREAS, Virginia's Joint Legislative Audit and Review Committee's (JLARC) December 2012 report titled "*Encouraging Local Collaboration Through State Incentives*" encourages the use of state incentives and initiatives to encourage regional collaboration which will likely result in savings to the Commonwealth and the localities over time; and,

WHEREAS, the Commonwealth's support for the Regional Competitiveness Act made possible a variety of innovative regional economic development and tourism initiatives throughout the state which successfully developed infrastructure to position our communities for economic development growth; and,

WHEREAS, JLARC's report, and our experience, has proven that regional collaboration can result in improved services and cost efficiencies, but it is challenging to initiate and sustain without state assistance; and,

AND WHEREAS, the Virginia Association of Planning District Commissions has encouraged the Governor and General Assembly to encourage regional cooperation through the Collaborative Government Initiative.

NOW THEREFORE BE IT RESOLVED THAT, the Virginia's Region 2000 Local Government Council recommends implementation of JLARC's recommendation to encourage regional cooperation through a series of state funded, competitive regional collaboration grants as outlined in the December 2012 JLARC report; and,

AND FURTHER RESOLVES THAT, the Virginia's Region 2000 Local Government Council recommends an increase in state funding in the amount of \$500,000 to support Planning District Commissions; and,

AND FINALLY RESOLVES THAT, the Virginia's Region 2000 Local Government Council believes that the Regional Cooperation Act was beneficial to both the Commonwealth and to localities and encourages consideration of the restoration of the Regional Cooperation Act in the future.
